## Meals on Wheels, Etc. receives Grant from the Meals on Wheels Association of America and Wal-Mart Foundation

Meals on Wheels, Etc. is the recipient of a \$10,000 Cure Grant from the Meals on Wheels Association of America and Wal-Mart Foundation. Featured here are representatives from the Sanford Wal-Mart Store #0857.

The grant will help alleviate the long list of seniors who are waiting to receive home-delivered meals.

In addition to the national award, local Wal-Mart employees will be partnering with Meals on Wheels by volunteering to work on yard projects for the elderly in Seminole County.
